2027 Pharmacy Directory

St. Luke's Advantage Rx 01 (HMO)

St. Luke's Advantage Rx 02 (HMO)

St. Luke's Advantage Rx 03 (HMO)

This pharmacy directory was updated on 09/2026. For more recent information or other questions, please contact St. Luke's Health Plan at 833-840-2573 or, for TTY users, 711, 24 hours a day, 7 days a week, 365 days a year, or visit medicare.stlukeshealthplan.org.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at medicare.stlukeshealthplan.org/pharmacies. You may also call Customer Service at 833-840-2573 (TTY 711) for updated information.

Introduction: This booklet provides a list of St. Luke's Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and St. Luke's Health Plan's formulary.

When this pharmacy directory refers to "we," "us," or "our" it means St. Luke's Health Plan. When it refers to "plan" or "our plan" it means St. Luke's Advantage Rx 01/02/03 (HMO).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under St. Luke's Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Ada, Canyon, Elmore, Blaine, Valley, Jerome and Twin Falls counties, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For more information, please contact St. Luke's Health Plan Customer Service at 833-840-2573 (TTY 711), available 24 hours a day, 7 days a week, 365 days a year, or visit medicare.stlukeshealthplan.org.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling the phone number located in the directory or on your prescription bottle.

Typically, you should expect to receive your prescription drugs 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 833-840-2573 (TTY 711).

Home Infusion Pharmacies

St. Luke's Health Plan will cover home infusion therapy if:

- Your prescription is on St. Luke's Health Plan formulary, or you have a formulary exception;
- St. Luke's Health Plan approved your prescription drug for home infusion therapy; and
- Your prescription is written by an authorized prescriber.

For current information about St. Luke's Health Plan network pharmacies in your area, please call customer service at 833-840-2573 (TTY 711).

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under St. Luke's Health Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through St. Luke's Health Plan's pharmacy network. Those other than Native Americans and Alaska Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

To locate an I/T/U pharmacy, please contact Customer Service at 833-840-2573 (TTY 711) or visit our online pharmacy directory.
